

# DRACULA

My name is Jonathan Harker. My first job as a solicitor is to visit a rich client, Count Dracula, in Transylvania.

Mina, my girlfriend, helped me to find it on the map.

I knew it wasn't in Italy!

If you are going to Castle Dracula, wear this crucifix!

Wolves! Maybe this is a zoo!

My name is Count Dracula...

... but you can call me Drac.

Good evening.

So, Jonathan, tell me about my new house, Carfax, in England!

Well, it's big and old and dark and it has a ruined chapel.

Perfect!

This is delicious, er, Drac. Don't you want some?

No, I'm on a special diet.

I'm going to marry my girlfriend soon. This is her, Mina, with her friend Lucy.

Tell me about yourself.

They're on holiday in Whitby, a seaside town.

Show it to me on the map.

It's late! Sleep now. When you wake up, you can explore.

That's a funny way to go out!

It was evening when I woke.

At last, a door that's open!

Later

I'm so glad that you're enjoying your little holiday!

To be continued ...

## HELP

to be on a diet (exp) to be careful about the food you eat, generally when you want to lose weight

solicitor (n) (here) person who prepares legal documents when you buy or sell a house
